1. Program must be offered at an institution which is legally authorized under State law to provide Post-Secondary education, and is institutionally accredited by the U.S. Department of Education or a comparable government agency.
2. The program must be post-secondary and so authorized under State law.
3. Must have been in continuous existence for two (2) years, with enough graduates to judge program success.
4. Program must be full-time, include a minimum of 1,000 contact hours, and result in a certificate, diploma, or degree.
5. Must have a full-time program coordinator who has credentials for effective direction of the program (see ACFEFAC Standard 1.4).
6. The program's application must be authorized by the Chief Executive Officer of the institution or an institutional designee.
