

Fellow Members,

I am Chef Cheryl Molenda CC HAAC and I would like to express my intent to run for a second term as the Central Region Ethics Committee Chair. Being in the ACF for 20+ years, holding various board positions within my chapter, and the Central Region Ethics chairperson, I can continue to be a valuable Chairperson on the committee. Having participated in previous meetings, keeping an open mind as well as being knowledgeable help to make sure our ethical values are standard. Ethics keep that progress going forward to help build a better organization for everyone in the ACF.
