

ACF Diversity Statement

We believe that the diversity of ACF is a fundamental strength of our organization. ACF's mission is best fulfilled when we embrace diversity as a value and a practice. ACF seeks to build a community whose members and partners have diverse cultures, backgrounds and life experiences, because we believe that diverse backgrounds and ideas are crucial to learning and excellence. We maintain that achieving diversity requires a commitment to inclusion that must find full expression in our organizational culture, values, norms, and behaviors.

We will support diversity in all of its forms, encompassing but not limited to age, disability status, economic circumstance, ethnicity, gender, race, religion, and sexual orientation. Leading by example, we will aspire to make diversity a core and abiding strength in our organization.
