

Linda Musch CCE, AAC

National Treasurer

I am running for ACF National Treasurer because I believe in the ACF and its mission, its membership and the ACF commitment to our industries future. If elected I will focus on fiscal responsibility and debt reduction, membership growth and value, and our valuable ACF programs. Supporting our leadership; national staff, elected officers, and chapters I believe will be an important role as treasurer. I will do all that I possibly can for the success of our organization.
